DETAILED ACTION

APPLICANTS' ARGUMENTS

Applicants' arguments, filed 19 July 2004, have been fully considered but they are not deemed to be persuasive. Rejections and/or objections not reiterated from previous office actions are hereby withdrawn. The following rejections and/or objections are either reiterated or newly applied. They constitute the complete set presently being applied to the instant application.

CLAIMS UNDER EXAMINATION

Claims herein under examination are claims 1-5, 7, 9, 11-23, 26, and 28-32.

Claims Rejected Under 35 U.S.C. § 112 2nd Paragraph

The following is a quotation of the second paragraph of 35 U.S.C. § 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claim 11 is rejected under 35 U.S.C. § 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

LACK OF ANTECEDENT BASIS

Claim 11 recites the limitation "wherein said second selecting step selects a subset of primer pairs with a lower cost than any other subset of primer pairs from said set of primers" which lacks proper antecedent basis. Absent from claim 1 prior to the second selecting step are any calculated "costs". There is insufficient antecedent basis for this limitation in the claim.

ALLOWABLE CLAIMS

Claims 1-5, 7, 9, 12-23, 26, and 28-32 are found allowable.

Art Unit: 1631

INFORMATION DISCLOSURE STATEMENT

Based upon Applicants' arguments (Response filed 19 July 2004) the references cited in the 'Information Disclosure Statement' (filed 09 January 2002), which were previously lined through, have been considered herein. Applicants are to note references, which were previously considered, have been lined through to avoid appearing in duplicate. Further, PTO-form 892 contained a typographical error which has been corrected, wherein "Genome Methods" has been replaced with "Genome Research".

ACTION IS FINAL AS NECESSITATED BY AMENDMENT

Applicants' amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See M.P.E.P. § 706.07(a). Applicants are reminded of the extension of time policy as set forth in 37 C.F.R. § 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 C.F.R. § 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
